

**Objects included in a previous competition**

<b>Item</b>	<b>Directions</b>	<b>Your Estimate</b>	<b>Directions</b>	<b>Your Measurement</b>
One-eyed Frog	Estimate the mass in grams		Measure the mass in grams	
DVD Case	Estimate the area in square centimeters		Measure the area in square centimeters	
Finger Pointer	Estimate the length in centimeters		Measure the length in centimeters	
Red frog	Estimate the mass in grams		Measure the mass in grams	
Parachuter	Estimate the mass in grams		Measure the mass in grams	
\$50 bill	Estimate the area in square centimeters		Measure the area in square centimeters	
Turkey	Estimate the mass in grams		Measure the mass in grams	
Dice	Estimate the density in grams/cubic centimeter		Measure the density in grams/cubic centimeter	
Golf ball	Estimate the mass in grams		Measure the mass in grams	
Max Axiom book	Estimate the area in square centimeters		Measure the area in square centimeters	
Tall bottle	Estimate the volume in milliliters		Measure the volume in milliliters	
Short bottle	Estimate the volume in millimeters		Measure the volume in millimeters	
Rice-filled Easter eggs in basket	Estimate the force in Newtons		Measure the force in Newtons	
File folders	Estimate the lengths in meters		Measure the lengths in meters	
Plastic spoon	Estimate the length in centimeters		Measure the length in centimeters
